

Deshon Place

Deshon Place serves all Butler County residents by providing a lending hand to those in need. Our dedicated staff consists of a manager, two full-time Primary Resident Aides, and seven part-time Residential Workers. We are located in a secure building at the Veteran Medical Center in Butler, Pennsylvania. Each resident leases one of the twenty apartments contained in the Deshon Place building. The apartments are equipped with a kitchenette, table, two chairs, single-bed, nightstand, dresser, and a full bath with shower. Our facility also boasts a comfortable community room with games, wellness center, teaching kitchen, cable television, and pay phone. Our computer room and library are available to all residents to assist them with employment, school, or seeking benefits. We welcome scheduled tours and give informational talks about our program to interested agencies. Please feel free to contact us at 724-285-2753 for details.

Mission Statement

The mission of the Transitional Housing Project, Deshon Place, is to provide a safe and secure, affordable housing environment for homeless individuals in the community, to improve their life circumstances, and to assist them in avoiding future homelessness.

Our Purpose

Our purpose is to empower and prepare homeless individuals to become self-sufficient and independent. We focus on restoration and preservation of dignity for each individual. We strive to engage residents in life-skills training, promote self-sufficiency, promote successful community re-integration, improve self-worth, and combat future homelessness.

Agency Involvement

All community agencies are invited to utilize the Deshon Place Program for their consumers. The Butler County Housing Authority cooperatively operates the facility with the Veterans Affairs Medical Center. All agencies are encouraged to refer to the program. While Deshon Place offers an array of services, outside agency involvement is crucial, sought, and utilized frequently.
