T.I.P. Sheet

Help to fight crime and drugs in your neighborhood!!

The Housing Authority of the County of Butler in conjunction with other law enforcement agencies want to help you STOP crimes in your neighborhood as well as illegal drug activity in your neighborhood. We are asking that you take an active part in keeping your community crime free. Please take time to read and fill out this form.

What is a T.I.P. Sheet?

It is our belief that much of the illegal activity including drug related activity in your neighborhood goes on in plain view. But there had never been an easy way to report it. By using this form, you can pass on what you see to the Police, and of course you can remain ANONYMOUS if you wish.

What should I look for?

Look for things in your neighborhood that make you suspicious, but use common sense. A strange car may simply be a legitimate visitor, but many brief stops by dozens of strange cars is one sign of drug dealing.

Some other signs include:

- Unusual late night traffic or activity
- Exchange of money and packages from car windows

If you have information, take a minute to fill out this sheet. Together we can rid our neighborhoods of criminal activity and illegal drug dealing and make our streets and housing safe for law-abiding citizens.
